The Abode of the Clear Light of the Sutrayana and Vajrayana

Daily Prayer Book

*Dear Dharma friends,*

*It is said that to generate the experiences and insights of Buddha within oneself can be done through the extraordinary quality of purification of obscurations .*

*In order to go through this one needs to follow the visualization of Vajrasattva. In doing so, may all your obscurations of this life be purified. May you be born in the Buddha field of great bliss in the western direction.*

*I pray in this way for you always. May all who sees, hears, and practices these prayers generate the experiences and Insights of Buddha.*

## **The Song Of Devotion**

*Verses of Aspiration for the fulfilment of the Enlightened Vision of  
Khenchen Jigme Phuntsog, the reincarnation of Terton Lerab Lingpa*

*By His Holiness the Dalai Lama*

O lord of sages, Shakyamuni,  
Who through abandoning and realizing attained supreme Buddhahood,  
With your hearts sons, Lord Maitreya and Manjugosha,  
The seven patriarchs, the seventeen great panditas and the like,  
All you great founders of the teachings in the noble land of India,

And especially you who introduced the excellent path in Tibet;  
The three ancestral Dharma kings, the second Buddha—Padmakara,  
Shantarakshita and your entire lineage; recollecting your kindness fills us  
with faith and devotion.

So as to bring living inspiration to countless beings, you spread  
The teachings of Buddha, our victorious guide endowed with the four-fold  
fearlessness,  
Radiating them, with the five perfections, to fortunate disciples in every  
direction,  
O learned, skilful and noble lama, to you we pray.

When the time came for the enlightened aspiration and actions  
Of the Dalai Lama Thubten Gyatso to be fulfilled, it was through their  
spiritual link  
That Lerab Lingpa, with his cycle of teachings,  
Brought a wealth of auspiciousness to the people of the Land of Snows.

Even amidst the oppressive darkness of the five degenerations,

You perfected your study, contemplation and meditation on all the  
outer and inner pitakas, and countless scriptures,  
Reached the highest experience and realization of their meaning,  
And stood out, as the supreme holder of the definitive teachings.

When the fierce winds of change blew with unbreakable intensity,  
Your determination and resolve remained steadfast like the king of  
mountains,  
And those in saffron robes, upholders of the three trainings,  
And devoted followers in their thousands, flocked around you.

Day by day, by means of their study, practice and spiritual activity,  
You fulfilled the deepest wishes of beings who came from far and  
wide,  
And with a great Dharma rain of ripening empowerments and liber-  
ating teachings, vast and profound,  
You planted the perfect seed of enlightenment within us all.

From the teachings of the Shravakas up to Atiyoga,  
You bestowed the scriptural traditions of all the vehicles,  
Along with every drop of nectar from the pith instructions,  
And satisfied the hearts of all your fortunate disciples.

How clearly we recall the mandala of your perfect form.  
How distinct the deep melody of your enlightened speech.  
How vivid the knowledge and affection of your wisdom mind,  
Remembering all your noble qualities, fervently we pray to you.

All of us who are your followers, we pledge  
With unwavering effort, to apply faith, diligence and critical  
intelligence  
To the wish-granting treasury of the nine vehicles,

And to devote ourselves, always, to the practice of contemplation and meditation.

Through the power of this prayer, O Lord, may all your aspirations  
Be perfectly realized, and so bring inspiration to beings throughout  
the whole of space,

And may we all never be separated from the teachers of the supreme  
vehicle,

So that we cultivate completely the qualities of experience and  
realization.

Through the vast and compassionate blessings of the lamas, yidams  
and dakinis,

Through the power of interdependence, the nature of things, which is  
beyond all imagining,

And through the strength of unchanging and fervent devotion in  
both teacher and students,

May these aspirations come to pass, just as we desire!

*Khenpo Jigme Phuntsok Rinpoche gave immense service to the Buddha's precious doctrine of scripture and realization in both teaching and practice, and he clarified the teachings of the Ancient Translation school as his enlightened aspirations and prayers from the past came to maturation. In his noble activity, he greatly benefited the teachings and beings by turning the wheel of Dharma extensively and in a non-sectarian way, affecting many thousands of devoted followers in a number of countries around the world through his wonderful aspirations and enlightened deeds, but especially at the Larung Institute for Higher Buddhist Studies, which he founded in Serta, East Tibet.*

*At this unfortunate time, when he has displayed the appearance of directing his wisdom mind into the dharmadhatu as a result of some external and internal adversities, it is extremely important for his grief-stricken disciples to pray one-pointedly to their great teacher and to make an offering of their practice by diligently applying themselves continuously and without hypocrisy, as well as by keeping in their hearts his essential instructions that distil the essence of sutra and mantra, and not forgetting them.*

*So that the enlightened intentions of this great being may be fulfilled completely and to help dispel the anguish of his disciples,, I recently made this prayer. May all these aspirations be fulfilled!*

*This was written by the Buddhist monk, Tenzin Gyatso on the fifteenth day of the first month of the Wood Monkey year (6 March 2004) during the seventeenth calendrical cycle. May virtue abound.*
